ELEVEN INJURED AS BUS AND EL CAMARO CLASH !!! Friday morning, October 27 at approximately 8:10 AM, a bus enroute to the Mental Health Center in Enterprise collided with an automobile at the intersection of Reese Ave. and Hickman St. The bus, driven by Dennis M. Jenkins of New Brockton, apparently failed to stop at the stop sign as it traveled east on Hickman. Ricky Bryan was going south on Reese when the bus came through the intersection into his path. After the initial impact, the bus overturned on the east side of the intersection on Hickman St. Units of the Elba Police, Rescue, Fire and Electrical Departments responded to the wreck. The emergency teams did an excellent job of on scene treatment of the injured and transporting them to Elba General Hospital. Upon arrival at the hospital, the Elba General staff did a great job of caring for the victims.

Hobson Pleads Guilty

In June, Charlotte Brewster Hobson of Elba, former treasurer of Republican Women, was indicted for first-degree theft of funds - a felony - and pleaded not guilty to the charge in August.

The former treasurer pleaded guilty in Coffee County Circuit Court Thursday, Oct. 26, to a misdemeanor charge of misapplication of \$4,650 in organization funds.

The reduced charge came as a result of a plea-bargain agreement. Mrs. Hobson paid back the \$4,650 plus interest for a total of \$4,743, as agreed by Mrs. Hobson and the federation, a federation official said.

Coffee County Circuit Judge Gary McAliley ordered Mrs. Hobson to pay a fine of \$500 plus court cost and pay \$25 to the Crime Victim's Compensation Fund. Under state law, she could have received a sentence of up to one year in the county jail and fines up to \$2,000.

Mrs. Foy, president of the 1,000 plus member women's GOP group, said, "Unfortunately, it has been a bad thing for her (Mrs. Hobson) as well as the organization, but probably worse for her. We are glad it is over. I think everybody will be glad to put this in the past."

Judge Eris Paul Dies At The Age Of 80

Dignitaries from all over the state gathered here Friday, Oct. 27, along with relatives and a host of friends to pay tribute to Judge Eris P. Paul. Funeral services were held at First Baptist Church of Elba.

The church was unable to hold the large crowd and a number of people stood out front while the service was conducted inside.

The man, Judge Paul, would be hard to describe in just one word. He was a husband, father, judge, teacher, politician and much more - but most importantly he was a friend to all.

Judge Paul was born in 1909 at Wilkinstown, a small community in north Coffee County, where he spent his childhood and teen years.

He graduated from Elba High School in 1929, after which he attended the University of Alabama where he received his degree in law in 1937. After five years of practicing law with a private firm in Elba, Judge Paul was inducted into the military, where he served for four years.

Judge Paul was elected Circuit Judge of the 12th Judicial Circuit in 1952 where he served until his retirement in 1976. He ran for the office unopposed each term after his initial election.

After the Judge's retirement, he continued his judicial activity in a supernumerary status on assignment by the Chief Justice of the Supreme Court of Alabama.

Judge Paul served on a special State Supreme Court in 1976 when the elected Court was unable to serve due to legal reasons.

JUDGE ERIS PAUL

The Judge served on the University of Alabama Board of Trustees from 1954 until 1975 and as an emeritus trustee since 1975. He was an avid supporter of the University in all of its endeavors.

The University of Alabama Law School recently established the Judge Eris P. Paul scholarship with the University of Alabama Law School Foundation. This scholarship aids deserving students in obtaining their law degree.

Judge Paul served as president of the Alabama Circuit Judges Association and as a member of the

State Bar Commission. He was also selected as a member of the first Ethics Commission for the State of Alabama.

He was selected to receive the Distinguished Alumni Award presented by the University of Alabama in 1988. The Judge was named the Senior Citizen of the Year for Elba in 1980.

Judge Paul served his church as a deacon and taught the Men's Bible Class for more than 30 years.

His love for his church was exemplified by his wishes that contributions be made to the First Baptist Church of Elba in lieu of flowers being sent.

The Judge was on the regional committee for the Boy Scouts from the Dothan District. He was a leader in procuring land and building materials for the construction of the Boy Scout Reservation in Coffee County.

Judge Paul was married to Jean Richardson Paul from Macon County and they had one daughter, Jeanne Paul Kirkland of Andalusia and one son, Coffee County Sheriff Brice Paul of Enterprise. The Judge had three grandchildren and one great-grandson.

No matter how much the Judge did for his fellow man, state and community, he will always be remembered for downplaying all of it by saying that "our purpose in life is to help our neighbors."

In the words of Dr. Doug Dorich pastor of First Baptist Church, "Well done, Eris Paul, thy good and faithful servant!"

The Board of Directors of National Security Insurance Company at its meeting on October 19 declared a quarterly dividend of \$2.26 per share.

This represents an annual increased dividend rate of \$1.04 per share and an increase over the previous annual rate of \$1.00 per share.

The cash dividend is payable on November 30, 1989, to share holders of record on November 15, 1989.

With its home office in Elba, Alabama, National Security Insurance sells a complete line of life, fire and casualty insurance policies.

Taxpayer Defense Committee File Petition

The Taxpayer Defense Committee filed a petition in the Coffee County Circuit Court on Friday, Oct. 27, requesting a declaratory judgement on the 1/2 cent tax scheduled to go into effect November 1.

The district and circuit judges have refused the case and have asked the Alabama Administrative Office of Courts to name another judge.

The Administrative office can appoint any circuit judge in the state to hear the case and is expected to make the appointment some

time this week.

Commissioner Robert Stephens said, "We're going to collect the tax starting Wednesday, November 1, unless the courts say we can't."

According to Stephens, the county attorney said that the tax was legal and he voted accordingly.

Stephens stated that in the long run, the proposed tax could be a 2-1/2 million dollar savings to the people of Coffee County.

"This matter will just have to be decided by the courts," Stephens stated.

Hines Case Rumor Dispelled

A rumor has been circulating this week that an arrest was made in connection with the Hines' murder. Reportedly, a man trying to pawn two guns allegedly taken from the Hines' residence was taken into custody.

According to sources in the Sheriff's Department, an arrest involving stolen weapons was made, but it was unrelated to the Hines' homicide.

This newspaper was told that the Hines' case is still diligently being investigated by state and local law enforcement officers.

BRAINSTORMS

With Ferrin Cox

Judge Eris Paul died last Wednesday, having lost the battle with cancer. The mourning of his death reached far wider than the area he served so ably as circuit judge. We doubt anyone who knew Judge Paul personally or by reputation could deny the world is better because he passed this way. We personally have benefited from his extensive knowledge and understanding of the world and the people around us. He was very modest and we will never know how many people he quietly helped. . . . just because they needed help. The delightful stories he could tell to illustrate a point or to lighten the mood or to entertain his listeners are mostly lost to the world because we failed to record them. Last week we heard someone quoting something Judge Paul often used when teaching his Sunday School class or during one of his many advice sessions: "When you say a man is a good man, you have said it all. That is the most you can say". Eris Paul was a good man, and folks you can take that to the bank.

We have spent several weeks urging the Elba band to give us one of their balloons being released during the halftime show. Well at the Andalusia game, here comes Ginger, the band director's charming wife, tying one to my camera strap! Then last week in Daleville she came with another. We appreciate the gesture.

Halloween was Tuesday night. We have solved so many of the world's problems, that now we can debate if this is a religious celebration or not. If we decide it is such, then the federal courts can stop us from decorating the schools with Halloween posters, or even acknowledging it exists. Parents in several cities around the nation are urging that we not celebrate the event. We don't think anyone really knows the origin of the event. It is probably a combination of several. Some claim it honors the Celtic god of death in Europe. Others claim October 31 was the last day of the year and people started wearing masks to celebrate the new year. Just give us our trick-or-treat candy and hush!

Alabama high school football teams are now in their championship playoff series. . . that is those who made the playoffs. If you look at the list, you will note that a whole bunch are "champions", at least for the first round. Then it gets cut down a bit and in just four long weeks (for those still in the race) we will have champions named.

The crash of a T-2 Buckeye jet trainer on the aircraft carrier Lexington left five dead and two badly burned. This happened just off Pensacola in the Gulf of Mexico. Those folks make thousands of such landings daily which go unnoticed but occasionally something goes wrong and we all say a prayer for the victims and another (with a bit of guilt probably) being thankful that we were not there.

Former President Ronald Reagan and wife Nancy just got a reported \$2 million for going to Japan and making a few speeches. Other related expenses pushed the cost to about \$6 million! Well Okay. However we wonder if maybe this is a little too excessive and could lead future national political figures to plan ahead and say nice things about a country that might later offer them an expensive snacking vacation!

Jim Bakker got 45 years in prison and a fine of \$500,000 after a jury decided he was guilty of doing things with church donations that a preacher shouldn't do. We heard some rumblings that the punishment was overly harsh. We disagree. If he is guilty and is not taken out of circulation, he would be right back doing the same thing. . . . he and his wife have already shown that with their recent efforts in Florida. Some folks would donate excess funds with open eyes, knowing his past and not caring. . . and that is alright. Others would blindly give from funds they need to live decent lives or money that should be given to a truly needy charity locally. . . and that ain't alright. We approve of the courts and the juries working to protect these good folks.

Home Is Here The Heart Is

A special homecoming will be on center stage next month when four Coffee County natives come home for an evening of entertainment.

Sam Byrd, baritone, Bubba Carr, dancer/choreographer, Roberta James, pianist, and Heather Peacock, soprano, will be in their hometown on Saturday, Nov. 18, at 7:30 p.m., at the Enterprise High School auditorium for a special benefit performance. The master of ceremonies is Enterprise native, James Hatcher, Town and Gown Theatre artistic director, of Birmingham.

Sam Byrd, son of Travis Byrd of Enterprise and the late Inez Turner Byrd, lives in New York City. He has appeared in leading roles with opera companies throughout the United States and Canada. He most recently has been heard with the St. Lukes Chamber Ensemble in New York's Town Hall and as soloist with the Dartmouth University Symphony and Chorus.

Bubba Carr, son of Mr. and Mrs. Charles Carr of Enterprise, resided in Los Angeles, Calif. Among his many credits are dancing in Michael Jackson music videos and television and commercial appearances. He has recently been on a nationwide tour as a lead dancer in Cher's "Heart of Stone" performance. Carr will include the current Coffee County Outstanding Young Woman, Kim Hassett, in his Nov. 18 performance.

Roberta James, daughter of Mr. and Mrs. R. E. James of Enterprise, lives in Birmingham. Along with many accompanist and solo performances in that city, she serves as 3rd Vice President of the Alabama Music Teacher's Association. She has also served on the faculty as a piano teacher at Birmingham-Southern College.

Heather Peacock, daughter of Mr. and Mrs. James Peacock of New Brockton, will soon receive a bachelor of music degree in Vocal Performance from Auburn University. While at Auburn she appeared in several opera productions. Last July Heather appeared at the Alabama Shakespeare Festival as Lady in the Tuskegee Dance Theatre production of "Bubbling Brown Sugar."

The four performers are being brought home by the Arts Alliance Auxiliary of Coffee County. Proceeds will benefit the Coffee County Arts Alliance's effort to award local aspiring artists financial assistance to reach their goals.

Tickets may be bought in advance at \$50 for VIP reserved seats, \$25 reserved seats, and \$10 general admission. Tickets will be sold at the door.

Send checks payable to the Coffee County Arts Alliance Auxiliary, Westgate Shopping Center, Suite 16, Box 106, Enterprise, Alabama 36331.

Watts - Kendrick Wedding

Fleming Kendrick, daughter of Mr. and Mrs. Jefferson Douglas Kendrick, and Kent Laverne Watts of Mobile, son of Mr. and Mrs. Emil Watts of Brighton, Ill., were joined in holy matrimony Oct. 14, 1989, at five o'clock in the afternoon in a ceremony performed at the bride's home by the Rev. Dr. Douglas Dorich.

The garden area was outlined with hurricane lamps entwined with white satin garlands and centered with a wedding arch hung with jade palms. A pair of white pedestals holding massive arrangements of burgundy rhubarb lilies, white and mauve alstroemeria lilies and mauve carnations flanked the prayer bench where the vows were exchanged.

Mr. Martin Gray, pianist, presented a medley of wedding music as well as the traditional wedding marches. During the ceremony he sang "The Wedding Song" and "The Lord's Prayer."

When Fleming descended the terrace steps on her father's arm, she became the seventh bride to be married at the Kendrick home.

She wore a wedding gown of white duchess satin styled with a sweetheart neckline, long sleeves and a softly shirred bodice. A lace collar, heavily embroidered with pearls and iridescents, accented the bodice and the lily points of the sleeves.

The back waistline was centered with a flat satin bow encrusted with pearls and encircled with a lace edge ruffle. Smaller bows descended the length of the lace edged cathedral train which was appliqued with lace medallions at the back hem.

Fleming's veil was a whisper of English illusion and pearls tied with a wide white satin bow. She carried a cascade arrangement of white roses, bouvardia and baby's breath.

She chose as her wedding day jewelry the pearl necklace given her when she was five years old as a flower girl in her cousin Gayle Banks' wedding.

Mrs. Jeff Benbow served as her sister's maid of honor. Mrs. Russell English of Fayetteville, N.C., sister of the bride, and Mrs. Jeff Vonnahme of Brighton, Ill., sister of the groom, served as attendants.

A silver punch fountain was placed on a third round table, while a long rectangular table bore a massive fresh fruit centerpiece. Silver trays of party foods were decorated with flowers carved from fresh vegetables.

When the bridal couple left for a honeymoon cruise to the Lower Antilles, they were showered with birdseed from white wicker baskets carried by ten little nieces and cousins of the bride.

The little girls all wore hand-made frosted dresses of Swiss fabric bestruck with English laces and tulle.

The groom's best man was his brother, Kirk Watts of Brighton, Ill. Groomsman were his father, Jeff Watts, and his brother-in-law Jeff Vonnahme, both of Illinois.

Ringbearer was Kyle Vonnahme, the groom's nephew, of Illinois, who carried a white batiste pillow embroidered with the couple's initials inside a hemstitched heart.

For her daughter's wedding, Mrs. Kendrick wore a French blue, crystal-pleated crepe dress with a long train top accented at the hip with a self flower and rhinestone clip.

Mrs. Watts chose an aqua silk dress with lace bodice and an accordion-pleated skirt.

RECEPTION
After the wedding the bride's parents entertained with a reception at the home of their daughter and son-in-law, Mr. and Mrs. Jeff Benbow, where guests were greeted by Mr. and Mrs. Waylon Sharpless.

Garlands of boxwood greenery outlined the patio where urns of mauve and white lilies created a background for the cake tables.

Guests were seated at small tables scattered across the lawn which were covered in cross-stitched green linens. Mrs. Peter Muller of Enterprise provided music during the reception hours, and Melissa Benbow presided over her aunt's bridal registry.

Mrs. Kent Laverne Watts

The bride's three-tiered cake, decorated by Mrs. Bill Brunson and covered with white spun sugar orchids and roses with delicate green silk bows, was placed on a round table draped in white satin.

White roses and baby's breath decorated the table. Mrs. Larry Miller of Jack and Mrs. Joey Ritchie of Birmingham served their cousin's cake.

The groom's chocolate cake topped with chocolate wedding bells centered a round table adorned with mauve lilies. Mrs. Elizabeth Banks, Mrs. Joe Chambers, Brundidge, Mrs. Fred Moore and Mrs. Bill Brunson.

They were Melissa and Emily Benbow, Francie, Meredith, and Rebecca English of Fayetteville, N.C.; Anna Miller of Jack; Sara Beth Ritchie, Birmingham; Casey Chambers, Birmingham; Kathryn Coplin, Demopolis; and Sara Dixon, Montgomery.

Assisting the Kendricks during the wedding festivities were Mrs. Elizabeth Banks, Mrs. Joe Chambers, Brundidge, Mrs. Fred Moore and Mrs. Bill Brunson.

Flower girl was the groom's daughter Danielle Christie Watts of Mobile. Her mauve satin floor-length dress was similar to the bridesmaid's dresses but was sashed at the waist. She scattered petals before the bride from a white lace basket filled with lilies and carnations.

FIRST ASSEMBLY OF GOD

Discouraged - Read This

Have the pressures of life been "getting to you" lately? Does it seem that there is no way out of your situation? Do you feel that everyone has turned against you?

If so, then let me assure you that you are not the first, and you will not be the last person to feel that way.

But let me assure you that you can be encouraged in the midst of your situation. You may ask, "How?" Let me tell you a true story.

Hundreds of years before the Lord Jesus Christ was born there was a man in Israel by the name of David. David had seen some "great" moments in his life, some "great" times of accomplishment - through the Lord. He had fought a bear, a lion, and a giant and had come out victorious on each occasion.

But the tide of "everything going his way" seemed to change for David! King Saul was after him, so David fled from his homeland to the land of the Philistines. Then

one day the Philistines were going to battle and David had planned to go with them - until the Philistine lords mistrusted him!

David was given the word that he could not join them in battle. Achish, a Philistine who had confidence in David, delivered the word that even though David had done nothing wrong, he did not find favor with the Philistine lords.

David and his men returned home, only to find that an enemy had invaded their city, burned it, and taken all the women and children captive.

What a distressing situation! And, if all this wasn't bad enough, now the people spoke of stoning David! The Bible says that "David was greatly distressed for the people spoke of stoning him." (1 Sam. 30:6)

But in the midst of this gloomy, dark situation, the Bible also says, but David encouraged himself in the Lord his God (1 Sam. 30:6). You see when David was in distress he knew how to get out - he looked to the Lord.

The same applies to your situation today. God is ready and waiting to "encourage" you, if you will only look to Him. No matter how low you may feel or how heavy your heart may be, the arms of the Lord are outstretched and waiting for you.

Why not turn your eyes upward, begin to sing a song of praise, read the Word of the Lord, commune with Him through prayer, and following with Him in His house? He is ready, willing, and able to "encourage" you - just look to Him. Remember - "David encouraged himself in the Lord his God."

Elba Tigers to host Dallas County Hornets Friday night in opening round of Class 3A state football playoffs

The Elba Tigers have made a habit of making it to the state football playoffs and this year proved to be no different as the Tigers stroled to an 8-2 record and the championship of Class 3A, Area 3.

While winning the area means hosting a runner up in the opening round, the Tigers and Coach Wood have their sights set squarely on Dallas County and Wood hopes last year's stunning loss to 2-8 Holtville will provide more than enough bad memories to make sure his team is ready come Friday night.

"Last year all everybody was talking about was where we would go the next week and how we would get there," stated Coach Wood. "Well, Holtville came to town and knocked us out of the playoffs, so we didn't have to worry about going anywhere. I still remember that terrible night and how had I felt after the loss and I hope the players remember and will take the games one at a time. They found out a year ago what happens when you look ahead and you can bet this year we'll work hard to get ready for Dallas County."

Dallas County is from Plantersville and I know they'll be excited about coming over to Elba and playing against the team that lost to Holtville a year ago," said Wood. "They have a fine football team and have the skilled players to put a lot of points on the scoreboard from anywhere on the field. They have good speed and size and will get after the football over on defense. Dallas County is proud to be in the playoffs and they have their sights focused on us. You can bet they'll be ready when they come to town Friday night and will give us everything they've got."

The Hornets posted a 5-5 record during the regular season, with the wins coming over (1A) Isabella 25-19, (1A) Billingsley 27-6, (3A)

Holtville 41-8, (3A) Keith 20-17 in overtime and (4A) Selma Southside 14-13. The losses came at the hands of (1A) Marbury 26-8, (1A) Autaugaugh 12-6, (1A) Maplesville 21-19, (2A) Francis Marion 27-26 and (3A) Elmore County 30-0.

"Dallas County averaged over three touchdowns a game and played a lot of close games," added Coach Wood. "For us to win we'll have to play real smart, but also very aggressive on defense. Dallas is ready come Friday night."

Following are brief highlights of local playoff action:

NEW BROCKTON VS. GENEVA COUNTY

The New Brockton Gamecocks placed second in the state in 2A a year ago and will begin the long road back to the top Friday night when they host the talented Geneva County Bulldogs.

Following are brief highlights of local playoff action:

Following are brief highlights of local playoff action:

County will try to hit you with the big play at any time and they also have some very good backs, so they can hit you quickly and put points on the board. We have got to be physical up front against the run and be alert against the pass and be much improved in both areas from a week ago against Daleville. On our blocks and try to dominate the line of scrimmage. We will be playing at home and we need to play real tough to try and take them out of their game."

The playoffs are a time to get excited," stated Wood. "I urge all our fans to come on out and support us Friday night. Everybody got a little complacent about the early games after a couple of years of success, but last year we found out what can happen and I hope all the Tiger fans will come out Friday night and give us a tremendous homefield advantage!"

The Elba Tigers used the big play last week to get past Daleville and finish the regular season with a solid 8-2 record. The Tigers were picked by some of the big daily papers to steamroll the 2-7 Warhawks, but Daleville had an excellent game plan and almost pulled off what would have been a major upset. It took some soul-searching by the Tiger players to avoid the upset, and all that speed displayed by a number of players didn't hurt either.

The Elba offense continued to show off its speed as it went long range four times to put points on the scoreboard. The touchdowns scored by the offense came on plays of 67, 60, 91 and 57 yards and on all four occasions the Tigers pushed the defenders in their tracks as they turned on the gas and sped downfield. Elba didn't drive for a score and while that concerns me a little, I guess the Tigers could have marched down the field if Anthony Brooks, Keith Henderson and Tim Caldwell had not gotten in the way. All kidding aside, the offense continued to make too many mistakes last week that prevented drives from reaching the endzone. The Tigers have got to cut down on the penalties in crucial situations or the mistakes could prove fatal!

Over on defense, the Tigers again got pushed around in the middle, but like all season came through when they had to and played a major part in the win. Daleville lined up toe-to-toe in the line to take away the Tigers' quickness inside and it worked as the Hawks were able to drive the ball consistently. The defense had some good hits and some big plays, but its inability to stop a power game inside will definitely give future opponents some fuel for their offensive fires.

A concern that has grown in recent weeks has been the problems with the Tigers' kicking game. Elba missed an extra-point early against Andalusia that hurt and then Friday night missed a short field-goal, as well as two more extra-points. Extra-points and field-goals play big parts in winning football games and I hope that the problems can be put to rest before the playoffs swing into action Friday night!

REMEMBER THE ALAMO...ER, I MEAN HOLTVILLE

Recktown will carry a deceiving 4-5 record into the game, with many of the losses coming to schools out of the Rebels class.

Despite the losing record, the Rebels are a team to watch in the 2A ranks.

Three teams in the local area will be back at it Friday night when the opening round of the state playoffs begin and it looks like all three have good shots at advancing. Here is a condensed version of what to expect...

NEW BROCKTON strolled through the regular season and has got to be one of the top teams in the state in the 2A ranks. The Gamecocks have a balanced offensive attack and a hard-hitting defense, not to mention one of the state's top coaches in Leavy Boutwell. Last year's runner up finish gave this bunch some extra experience and it looks like the Gamecocks have enough talent and desire to hang around for a while.

KINSTON closed the regular season with a big win over Brantley and has to be looking forward to another trip to the playoffs. The Bulldogs have a powerful running game and a stingy defense, but lack overall team speed and could prove vulnerable to a smaller and quicker team. If the Bulldogs can play their game they can be tough.

BRANTLEY regrouped from early season troubles to make the playoffs and under last week's upset loss at Kinston was playing its best ball of the season. The Bulldogs have some experience at the right places and are used to winning in all sports, which helps build confidence. The Bulldogs aren't a threat to win it all, but with a little luck they could pull off an upset or two.

POLISH PROGNOSTICATOR PICKS PLAYOFFS

Ye Polish Prognosticator wasn't bragging quite as much as usual this week when he dropped by the office. I don't know if it was last week's 20-4 record or the unknown about the playoffs. Oh well, like I told him, to finish the regular season with a 250-53 record is nothing to get upset about! Here go the playoff pickings...

ELBA VS. DALLAS COUNTY

The Hornets could find an angry bunch of Tigers waiting when they buzz into town Friday night in the opener of the 3A playoffs. Coach Mack Wood's troops learned their lesson a year ago against Holtville and Friday night will show just how well they remember that lesson. I think they'll remember it well!

ELBA 34 DALLAS COUNTY 16

NEW BROCKTON VS. GENEVA COUNTY

This one may look like a blowout on paper, but the Bulldogs from down in Geneva County aren't that bad and could be a lot tougher than some people think. Fortunately, Coach Boutwell knows how tough Geneva County is and when Coach Boutwell talks, the Gamecocks listen!

NEW BROCKTON 28 GENEVA COUNTY 0

KINSTON VS. MCKENZIE

The Bulldogs may have one of the toughest draws in the 1A ranks in having to travel to McKenzie to challenge the talented Tigers. The Dogs have power inside, but after this week it will be time for roundball down in the country!

Now the fun really begins! The high school football playoffs begin this week across the state and here in south Alabama it looks like several local teams have excellent shots at making it all the way. It takes a special type of team to play five extra games after completing a tiresome 10-game schedule; however, you can bet that the teams that survive are truly deserving of the title of state champ. Yep, this is what it's all about!

Gamecocks explode early to bury Zion Chapel Rebels 62-8

BY GREG BRUNSON, PHOTOS BY RONNY SHIVER

The New Brockton Gamecocks dominated the Zion Chapel Rebels Friday night as they cruised to a 62-8 victory to end their regular season with an 8-1 slate.

The Gamecock starters raced to a 42-0 lead in the first quarter and then took the rest of the night off!

As the opening kickoff rolled dead at the 1-yardline, Robert Kilow scooped the ball up and set sail on a 99-yard run up the right sideline for the game's first score. William Moguel kicked the extra-point and with only 15-seconds gone in the game New Brockton was on top 7-0.

A Todd Boland fumble recovery at the Rebel 15-yardline set up the second Gamecock score of the night, with Robert Kilow getting his second touchdown on a 15 yard scamper up the middle. Moguel added the p.a.t. and with 9:50 left in the opening quarter the Gamecocks were off and running with a quick 14-0 lead.

The Gamecocks third score came on a 30-yard pass from Matt Rodgers to Rex Caldwell, with the scoring loss climaxed a 43 yard, 4 play march. Moguel again true on the extra-point to stretch the lead to 21-0 with 5:44 still left in the first quarter.

Greg Sowell recovered a Rebel fumble at the Zion Chapel 12-yardline on the Rebels' next play and Robert Kilow needed only one play to get his third touchdown of the night, as he scampered off left tackle 12 yards for the score. Moguel hit the extra-point and with 4:54 remaining the Gamecocks' lead was up to 28-0.

Rex Caldwell got the third New Brockton recovery of the quarter on Zion Chapel's possession and this time it was Greg Sowell who got the score as he galloped 57 yards for another New Brockton touchdown. Moguel hit the p.a.t. and the score stood at 35-0 with 2:38 still left in the first quarter.

Greg Cole intercepted a Jeremy Law pass on the Rebels' next possession and returned it 25 yards to the Z.C. 30-yardline to put the Gamecocks right back in business!

A 23-yard pass from Matt Rodgers to Greg Cole on first down moved the ball to the seven and on the next play Sowell burst up the middle for another Gamecock score. Moguel hit the extra-point and with 22 left in the first quarter the Gamecocks held an amazing 42-0 advantage!

The Gamecock reserves got in on the fun on the next New Brockton possession and put together a 57-yard drive that required only 7 plays to reach the endzone.

Albert Covington took a pitch from Rex Caldwell and raced 20 yards for the score and while Robert Kilow needed only a yard to make little difference as the Gamecock lead was up to 48-0 with 4:41 left in the half.

The Rebels showed signs of life on their next possession and got on the scoreboard as Jeffery Flowers passed the ball on a halfback pass to Chris Dewberry for 61 yards and a touchdown. Jeremy Law passed to Flowers for the two-point try and with 2:08 left in the half the Rebels were on the board, but trailing 48-8.

Both hands put on outstanding performances at the half and it was easy to see that these two groups were dedicated and had put in many, many long hours of hard practice!

Neither team could cross the goaline in the third quarter, but as the third quarter opened Rex Caldwell lit up the scoreboard again as he dropped back to pass, scampered out of the pocket and raced 53 yards to the endzone. Kilow hit the p.a.t. and with 10:32 left in the game the Gamecocks' lead was up to 55-8.

A short Rebel punt and a return by Rex Caldwell combined to set up the final score of the night, which came following a 30 yard drive.

A 23 yard pass from Caldwell to Tom Sims was a big play in the drive, while the score came on a one yard plunge by Adrian Cason. Kilow ended the night's scoring with 4:30 left in the game on a p.a.t. to make the score New Brockton 62-Zion Chapel 8.

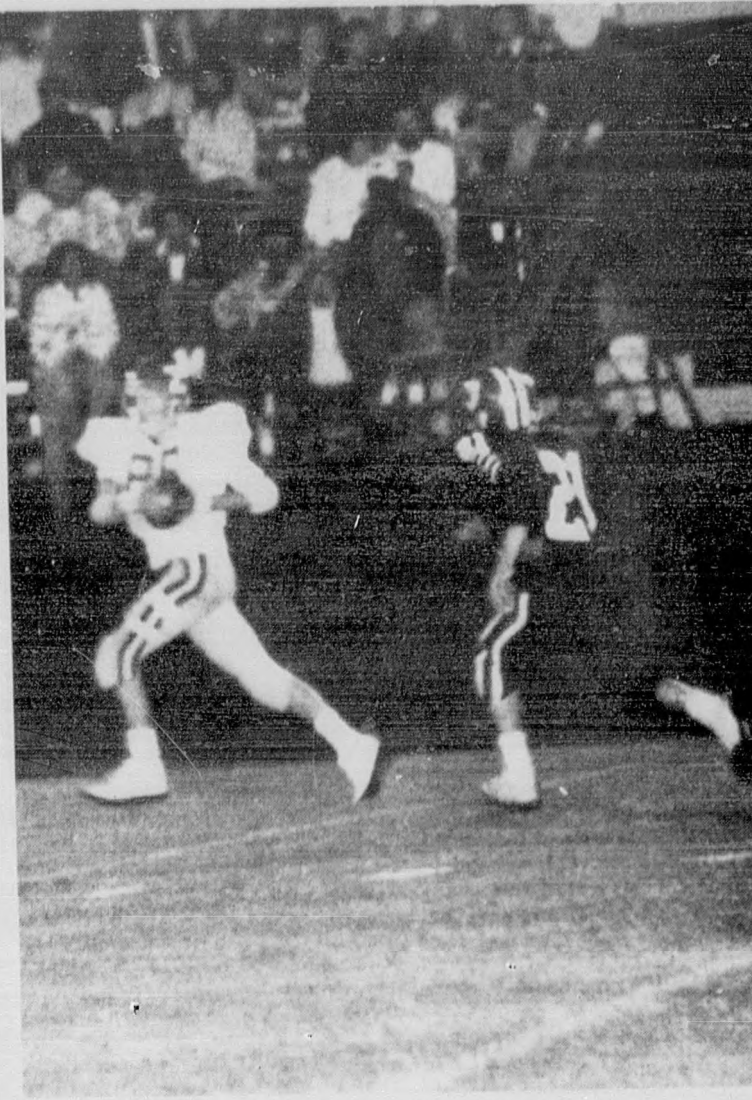

The Rebels' final scoring threat was stopped on a Brent Griffin interception and although Griffin fumbled during the return, New Brockton's Matt Witmar pounced on the loose ball and the threat, and the game, was over.

Rex Caldwell was the game's leading rusher with 74 yards on 6 carries and 1 touchdown and Caldwell also scored on a 30 yard pass reception from Matt Rodgers. Greg Sowell carried the ball 2 times for 64 yards and 2 touchdowns, while Robert Kilow added 40 yards on 4 tries and scored 3 touchdowns, including one on a 99-yard kickoff return.

Douglas Faulk gained 43 yards on 14 carries to lead Zion Chapel.

ton 62 Zion Chapel 8.

The Rebels' final scoring threat was stopped on a Brent Griffin interception and although Griffin fumbled during the return, New Brockton's Matt Witmar pounced on the loose ball and the threat, and the game, was over.

Rex Caldwell was the game's leading rusher with 74 yards on 6 carries and 1 touchdown and Caldwell also scored on a 30 yard pass reception from Matt Rodgers. Greg Sowell carried the ball 2 times for 64 yards and 2 touchdowns, while Robert Kilow added 40 yards on 4 tries and scored 3 touchdowns, including one on a 99-yard kickoff return.

Chris Austin was then dropped for a 1-yard loss and Brantley's Jeff Bush sacked Joe Martin at the 19. But Kinston promptly drilled the 36-yard field goal to put the pressure on Brantley.

HERE IT COMES...Elba quarterback Kevin Matthews (14) winds up as he prepares to launch a pass to Keith Henderson for Elba's first score of the night. Reggie Horstead (20) and Anthony Brooks (30) are providing protection for the Tiger passer.

Elba's David Rowe (24) and Tim Caldwell (33) combine to stop a Daleville back for a short gain. The Tiger defense gave up yardage grudgingly Friday night in the 33-17 win over the 4A Warhawks.

Big plays lift Elba Tigers over Daleville 33-17

The Elba Tigers used the big play on both offense and defense Friday night to close out the regular season with a hard-fought 33-17 win over the Daleville Warhawks, in Daleville.

The win upped the Tigers record to 8-2, while Daleville ended its season with a 2-8 state.

Daleville received the opening kickoff and moved to a quick first down, but went to the airways and saw disaster strike as on the Warhawks first pass attempt of the night Elba's Greg Wright stepped in front of the would-be receiver, intercepted the pass and raced 41 yards for a touchdown!

Wade Hart added the extra-point and with 8:50 left in the opening stanza the Tigers were on top 7-0. Daleville put the ball in play at the Warhawk 32-yardline midway through the first quarter and drove 58 yards in only 7 plays to catch the heavily-favored Tigers.

A 26 yard pass from Brian Lucky to Randall Harrell got the drive off to a quick start, while the score came on a 7 yard pass from Lucky to a wide-open Derrick Hom. Chris Maye booted the p.a.t. and with 1:42 left in the first quarter the score was tied at 7-7.

The Elba offense failed to generate anything on its ensuing possession; however, the Tigers got the ball back at the Elba 33-yardline with 7:54 left in the half and needed only one play to regain the lead as on the first play from scrimmage Kevin Matthews lofted a pass to Keith Henderson and the speedy senior receiver raced untouched 67 yards for a touchdown. The extra-point try sailed wide, but with 7:37 left in the half the Tigers were back on top 13-7.

Elba got the ball late in the half at the Tiger 3-yardline and began another drive, only to see a missed field-goal at the halftime horn turn the Tigers back empty-handed.

A 38 yard scamper by Anthony Brooks got the Tigers quickly out of the hole, while passes from Matthews to Jackie Stoudemire, David Rowe and Keith Henderson moved Elba to a first and goal at the Daleville 2-yardline with :02 left on the clock.

Jamie Bass attempted a 23-yard field-goal on the final play of the half, but the try sailed wide and at the half the Tigers went in with a slim 13-7 lead.

Elba's Reggie Horstead brought the large Tiger crowd to its feet at the start of the second half when he returned the kickoff 90 yards for an apparent score, but while the band was still playing the fight song, the referees marked off a 15-yard penalty against the Tigers for clipping and the points were erased from the scoreboard!

The band barely had time to catch its breath, however, as on the first play of the half Tim Caldwell took a handoff, broke outside and raced 60 yards for a touchdown. Kevin Matthews passed to a falling Joe Brooks for the two-point conversion and with 11:26 left in the third quarter the Tigers' lead had grown to 21-7.

Daleville wasn't impressed by the sudden score and came right back with a score of its own to chop the lead to 21-14.

Quarterback Brian Lucky gained 20 yards on three carries and hit two passes for 18 yards to spark the 80 yard drive, while the score came on a 1 yard plunge by Tony Richardson. Maye again hit the p.a.t. to cut the Elba lead to 21-14 with 6:46 still left in the third stanza.

The teams swapped punts on their next series and then Daleville came up with a big defensive play of its own as the Hawks intercepted a Matthews pass near midfield and drove down for another score.

Two 15-yard penalties against Elba added the march, which was climaxed when Chris Maye booted a 36-yard field-goal to cut the Elba lead to 21-17 with 10:26 left in the game.

With the outcome of the game suddenly very much in doubt, Elba's Keith Henderson came up with perhaps the biggest play of the night as he took the ensuing kick at the Tiger 9-yardline, headed straight up the middle of the field and was never touched as he rammed 91-yards for an Elba touchdown!

The extra-point try was no good, but with 10:14 left in the game the Tigers had some breathing room with a 27-17 lead!

Daleville wasn't about to quit and came right back by driving to a fourth down and 3 at the Elba 30-yardline. The Warhawks attempted to fool the Tiger defense on a reverse; however, Elba's Ronald McKinnon hit the Daleville runner

for a big 13 yard loss and the Tigers took over on downs at the Elba 43-yardline.

The Tigers then proved that lightning can sometimes strike very often, as on the first play of the series Anthony Brooks took an inside handoff and was off to the races as he galloped 57 yards for yet another Tiger touchdown!

Daleville tried to add a score late in the game and reached the Elba 1-yardline with 46 left on the clock, but the Elba defense refused to let the Warhawks across the goalline and took home the win 33-17.

Anthony Brooks gained 124 yards on 8 carries to lead the Elba ground attack, while Tim Caldwell gained 60 yards on 1 carry and Reggie Horstead added 39 yards on 7 tries. Kevin Matthews hit on 5 of 9.

8 passes for 106 yards, with Keith Henderson catching 3 passes for 81 yards to lead the receiving corp.

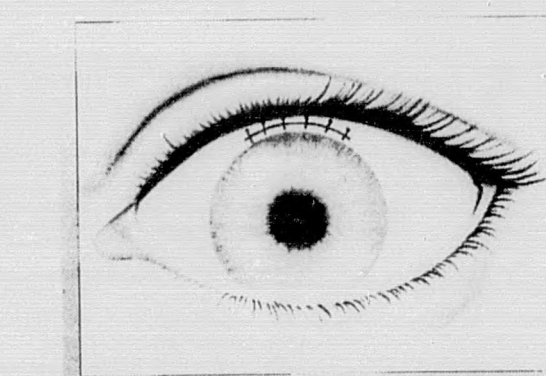

Keith Henderson and Tim Caldwell both made 15 tackles to lead the Elba defense, while other defensive standouts included Ronald McKinnon (11 tackles), Jackie Stoudemire (10 tackles) and David Rowe (7 tackles).

Tony Richardson gained 120 yards on 24 carries to lead Daleville, while Brian Lucky added 55 yards on 20 carries and also completed 13 of 23 passes for 192 yards.

GOOD FOOD - We talked about milk that came from different animals and that we are going to bring dry beans for a poster.

And that's what we did today.

Man Forced To Hand Over Car !!

An Ozark man, Ted Brunson, a white male age 29, reported his automobile stolen to the local authorities at 12:56 a.m. on Nov. 2.

Brunson told police that he was traveling east on Taylor Mill Road when he stopped to pick up a man walking along in the same direction. He said the man was black and unknown to him.

After traveling a short distance further east, the man, according to Brunson, forced him to leave his automobile and the black man slid under the steering wheel and drove off.

In the car, a 1986 Pontiac Grand Am, was a number of power tools and a World War II Japanese rifle.

At approximately 1:15 a.m., Brunson's automobile was discovered by an Elba Patrol Unit abandoned at the Mulberry Heights ball park. The tools and rifle were missing.

The case is still under investigation by the Elba Police Department.

If you have any information concerning the above incident, CALL CRIME STOPPERS AT 897-3881 OR THE ELBA POLICE AT 897-2555.

Leash Law Will Be Strictly Enforced

Police Chief Hanchey told this newspaper Friday that the city leash law will strictly be enforced. The patrolmen in his department will aid the Animal Control officer in the enforcement of the city ordinance.

Upon the impounding of an uncontrolled animal, the owner will be charged a fine of not less than \$5.00 and not more than \$20.00. In addition to the fine, there will be a \$2.00 per day housing and feeding fee.

If the animal has not been vaccinated, the owner will also be charged the vaccination fee (collected by the Police Dept.) and directed to carry the animal to the vet for its shot.

NOV. 11

Elba To Participate In Veterans Day Parade

The Alabama Reunion Veterans Day Parade in Enterprise promises to be one of the largest parades of its kind in the southeastern United States on November 11.

Elba plans to have several units participating in the parade along with over 100 other units from the area. More than 6,000 people are expected to be active in the parade.

Flyovers will be conducted by National Guard and Reserve units flying helicopters, F-16s, and C-130s. A total of five flyovers is scheduled.

This is the third annual parade conducted in the Second Congressional District and sponsored by Congressman Bill Dickinson and the Vietnam Veterans of America, and in cooperation, this year, with the Alabama Reunion.

This year's parade is dedicated to LTG. Ralph Haven, Commander of Maxwell Air University until his untimely death this year. LTG. John Tolson, former Commanding General at Ft. Rucker, will serve as the Grand Marshal for the parade.
